

SwimCross® Exercise Systems | X2000

Never compromise.

Exercise, play, and relax, all in the comfort of your garden, with the SwimCross® Exercise Systems X2000. Swimming, water exercise, family time, and relaxation with hot water therapy are all possible with the right temperature at the right time.

The dual-temperature X2000 boasts the largest swim and exercise area of all Endless Pools® Fitness Systems with the added benefit of a separate spa area with seating for four and independent temperature controls. The five airless swim jets provide excellent resistance for swimming and exercise, while the sculpted spa seating with hydromassage jets pamper tired muscles after your workout. With the X2000, the opportunities for wellness at home are limitless.
